Course Description: Health is an academic course required for graduation. The focus of this class is to teach the knowledge and skills needed to change or maintain positive health behaviors in the areas of mental health, communication, self-esteem, violence and injury, nutrition, fitness, prevention of alcohol, tobacco and other drug use, human growth and development, disease prevention and career exploration.

Textbook(s): A textbook is not used; students will develop a health resource binder with health information.

Materials Needed:

- 1 ½ -inch, 3 ring binder
- Loose leaf paper in binder
- Pens and pencils
- Highlighter

Grading Policy: All assignments, quizzes/tests and projects will be graded with equal value. The school's grading policy is as follows:

100 - 90 = A

89 - 80 = B

79 - 70 = C

69 - 60 = D

59 or below = F

Homework Policy: There will be homework. Please check your student's binder on a regular basis for the specifics. If at any time, please contact me with any questions that you may have.

Late Work/Absent Work Policy: If a student is absent, it is the student's responsibility to approach me and make up the missed work. When a student is absent they have as many days to do the work as they were absent. If the student does not make up the missed work, a 0% will be earned. I will accept 1-day late work, but 5% of the assignment grade is dropped due to being late unless there are underlying circumstances.

Student Expectations: Students will be expected to follow all school and classroom rules. Below are the specific areas of concern.

1. Good attendance
2. Arrive to class on time
3. Come with all required supplies
4. Demonstrate respect with peers and adult figures
5. Class participation
6. Follow oral and written directions
7. Ask questions and stay on task
8. Work cooperatively; when needed
9. Work independently; when needed
10. Accurately complete all class work and homework
