

# Physical Science

## Mr. Molloy

Whitmer High School – Room 125

Email: dmolloy@wls4kids.org

Phone: 419-473-8383 ext: 8310

---

### Supplies

- Physical Science Books
- Dividers (5 tabs, Provided)
- #2 Pencils
- Non-Black/Blue Grading Pen
- Loose leaf Paper
- Scientific calculator (TI-83 Plus or TI-84 Plus graphing calculator will be available for **in-class** use only)

**\*\*Students are expected to bring their binder and calculator to class on a daily basis. \*\***

### Grading

|                     |                                       |
|---------------------|---------------------------------------|
| Assessments         | 25%                                   |
| Homework            | 35%                                   |
| Quizzes             | 25%                                   |
| First Semester Exam | 15% of 1 <sup>st</sup> Semester Grade |

### Assessments/Exams

It is the student's responsibility to make up all assessments missed due to absences. Students will be given a review prior to the assessment which will be a good resource to make sure the student is ready for the assessment. Exams will be given at the end of the first semester. The exam will count as 15% of their semester grade.

### Notes

Students will be required to take notes for each section covered in the course. A student must copy all examples/notes during the lesson instruction. Notes will be kept in the student's binder and will be very beneficial when studying for quizzes, assessments, or exams. If a student is absent, it is their responsibility to copy the class notes from a classmate. It is the student's responsibility to ask the teacher for any work missed due to an absence. Students will be given one day for every day absent, to make up work. The binders will be collected before the end of every unit and graded.

### Homework

Students can expect homework to be assigned 4 - 5 days per week. In order to receive full credit the students must attempt and show work on each problem. Each homework assignment is graded on a 10 point scale.

**It is the student's responsibility to ask the teacher for any work missed due to an absence.** Students will be given one day for every day absent to make up work. All missing assignments are in the back filing folders.

### Quizzes

Students can expect a quiz every time we finish a section in the module. It is the student's responsibility to

make up any quizzes missed due to absences.

**Academic Honesty Policy:**

If you are caught copying someone else's work, you will receive a zero.

**Classroom Rules/Expectations**

- ❖ Follow directions the first time given
- ❖ Have respect for everyone
- ❖ Use pencil for all work, PLEASE
- ❖ No eating or drinking (water bottles are acceptable)
- ❖ Ask questions and participate in class
- ❖ All school rules apply
- ❖ **NO CELL PHONES!**

### **Online Resource**

Engage NY is a resource that is available on-line. Please visit [www.engageny.org](http://www.engageny.org)

Once there, you can search for the Algebra 1 lessons by typing:

**Algebra 1, Module #, Topic Letter, Lesson #**

For example, to find the first lesson in Module 1, topic A, type – **Algebra 1, Module 1, Topic A, Lesson 1.**

If you would rather bring up an entire module, click on **Common Core**. Once there, under **Filters** on the left hand side, click on **Math**, then under **Subjects** click on **High School Algebra**, then under **Resource Type** click on **Module**. This route will allow you to download the entire module your child was given in class.

There are several different ways to search for what you need and above are just a couple. Please take some time to navigate through this site. It will be very beneficial to you and your child, especially if you need to access a video.

### **Khan Academy**

Khan Academy is an on-line video library with thousands of videos pertaining to math. Most are only a few minutes long, but offer an explanation for every topic imaginable.
