

PayForIt.net

Whitmer High School now offers PayForIt as a resource for parents to fund lunch accounts and pay required and optional fees online quickly and easily. PayForIt is a secure payment system which simplifies school payments in an easy-to-use online portal. PayForIt also allows parents to opt into and manage email reminders about their student's accounts, so it's easy to remember to replenish lunch accounts or pay school fees.

PayForIt can be accessed via our online portal: www.PayForIt.net, via convenient mobile app, or on our website at www.WLS4Kids.org. If you already have an account that you used to pay lunch fees, you will not need to create a new account. You can pay student fees using that login along with adding money to any lunch account.

1. Visit our portal using your Internet browser. **www.payforit.net**
2. Select the "Register" option from the menu. The portal will guide you through the steps you need to follow to establish your account and set up your students.
3. You will be prompted to enter your contact data and a payment method to activate your account.
4. Once all information is entered, you will receive an email from PayForIt with a link to confirm the registration and create your password. Once your password is saved, you can log in and begin using PayForIt as often as you'd like.
5. The first time you log in, you will need to indicate which student(s) to attach to your account using the Add/View student tab. Students are already loaded in the PayForIt system. PayForIt utilizes the same student ID number used for your lunch purchases, which is also the same as the 6-digit number you will find in PowerSchool. If you are unsure of your student's ID number, please contact any Whitmer secretary.

Convenient Features for Parents

- Parents can opt in to receive email notifications when a student account balance falls below a threshold set by the parent
- Parents can use an automatic payment feature which replenishes their student account(s) when the balance falls below a level set by the parent
- Parents can manage accounts for multiple students with a single login (currently only Whitmer student fees can be paid using PayForIt)
- Parents can manage payments via an easy-to-use online portal, or while on the go with a convenient mobile app
- PayForIt is ran by PaySchools which is PCI compliant and maintains industry standard SSL certificates. This ensures all data is safe and secure
- A continuous online survey is provided to monitor parent feedback and ideas
- No fee per transaction when only paying school fees
